Commissioners' Report

In accordance with the public statutes of the State of New Hampshire we the Commissioners of Coos County herewith present our annual report together with the Treasurer, Clerk of Court, Solicitor, Sheriff, Superintendent of County Farm, House of Correction and Jail, Physician, Auditor, Priest and Chaplain.

As the closing scene of another year has passed and the dawn of a new year is upon us it devolves upon the County Commissioners to submit to those who have intrusted us with the management of county affairs a report of our stewardship for the year ending December 31, 1926. It is with deep sense of appreciation of the confidence that has been reposed in us and of the cooperation that has been extended by the citizens through the county in assisting us in carrying out our purpose in economy and prosperity.

In disseminating the ideals of humanity to those less fortunate to whom we have been called upon to administer.

It has been our aim to dispense such expenditures economically. And under the continued supervision of Mr. and Mrs. A. J. Young, superintendent and matron, the inmates have been kept in such a comfortable, wholesome condition that it has brought forth many compliments from those who have visited the institution. Owing to the increased number of inmates who are unable to care for themselves, we have procured the services of a male nurse, Mr. William Millett, who has had many years of experience in caring for the sick and helpless, while through the untiring

efforts of Mrs. Etta Crawford as cook and Mrs. Frank Brown in charge of sanitation and laundry work all things point to a wholesome and healthy condition.

The financial condition is satisfactory as our statement will indicate that we have kept well within our appropriations.

Our excellent herd of Holsteins continues to improve, and during the past year has shown an increase in profit of \$25.18 per cow.

Good cheer was observed as usual and a very enjoyable day was spent with those who came to bring cheer and encouragement to the inmates who look forward to that day as the banner day of all the year.

We wish to express our appreciation to all who in any way assisted in making the event a success. We also extend our thanks to all selectmen, overseers of the poor and county officials who have so ably assisted our purpose.

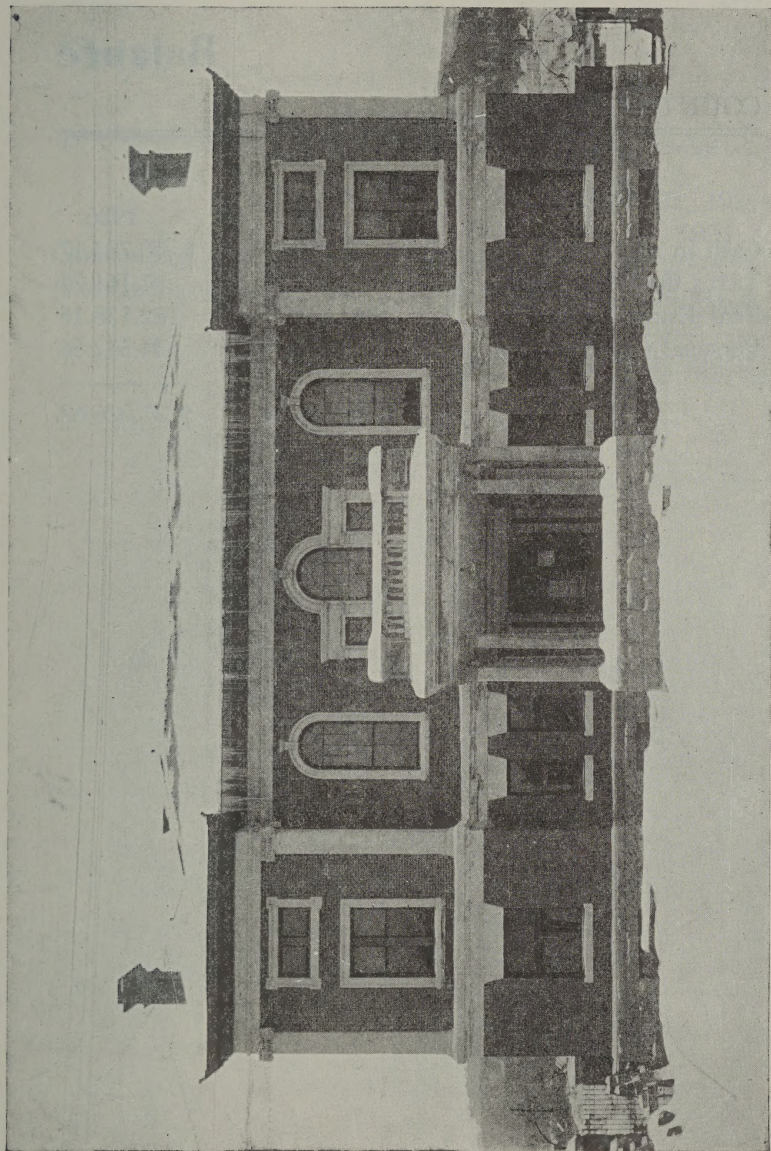

Respectfully submitted,

J. A. VAILLANCOURT,

CLARK S. SWAIL,

FRANK B. LEWIS,

County Commissioners.

Chaplains' Report

To the Commissioners of Coos County Farm and Jail:

Humanity with its joy and sorrow, its suffering and sin, presents the same needs year after year. In institutional life or elsewhere man is restless apart from God.

While physical ills and lack requires constant and helpful ministrations, even so the deep spiritual needs of man are surely no less imperative in their demands. It is the rightful privilege of all to know that "God so loved the world that he gave his only begotten Son, that whoso believeth in him should not perish, but have everlasting life." To this end fortnightly services have been held at the farm and at the jail during the past months. Calls and other ministrations as needed have ben fully offered.

Much appreciation is due the management for helpful interest in all the work.

Respectfully submitted,
H. H. ALBEE,
Chaplain

To the County Commissioners of Coos County:

Gentlemen:

I hereby report that the catholic inmates of the Coos County institutions have had every opportunity of receiving the consolations and ministrations of their holy religion.

I wish also to commend Mr. and Mrs. Almon Young for their sterling qualities, their kindness to me and their coopera-

tion in all that tendered to the welfare both temporal and spiritual of all who live at the county institutions at West Stewartstown, N. H.

Respectfully yours,
REV. L. A. RAMSEY.

Solicitor's Report

To the Inhabitants of the County of Coos:

I herewith submit my report as County Solicitor for the year ending December 31st, 1926.

I have prosecuted before the Municipal Courts of the County approximately 152 liquor cases, which is quite an increase over 1925. There have been numerous cases of breaking and entering but in nearly every case the guilty parties have been apprehended and brought to justice.

The outstanding case of the year has been the Brackett murder case. Owing to the efficient work of the officers of the sheriff's department the guilty parties were landed in jail within four hours of the discovery of the murder. I cannot pay too high a compliment to the officers who handled this case. A final agreement as to sentence was reached in a plea to murder in the second degree and a sentence to state prison for not less than 20 years and not more than 25 years. The costs to the county outside of counsel for the prisoner will not exceed \$500.

The following is a summary of those cases which have been handled in the Superior Court either through indictment, information or appeals from the Municipal Courts.
